Financial Policy

We are delighted that you have chosen our facility as a provider in your care. Our goal is to provide you with useful information about our financial policy to ensure that you have the best experience possible. If you have any questions regarding this policy, please contact our Clerical Office Specialist or our Office Manager at (336) 617-8645.

Initial Visit

On your initial visit, you will be asked to provide demographic and insurance information. Following that visit, periodic updates will be requested. If, during the time you are a patient at our practice, you change any of your personal information, including address, telephone number, and insurance carrier, please inform us. As a courtesy, we will submit claims to your medical insurance on your behalf. You are responsible for supplying us with correct information at all times. Failure to do so may result in you being liable for the entire balance of your bill.

Insurance Claims

While filing insurance claims is a courtesy that we extend to our patients, all charges are your responsibility from the dates services are rendered. Your insurance is a contract between you, your employer and your insurance company. We are not a party of this contract. Therefore, we strongly encourage patients to review their coverage and benefits and to familiarize themselves with their plan. Not all services are a covered benefit in all policies, therefore we cannot guarantee payment of all claims by your insurance company. Reduction or rejection of your claim does not relieve you of your financial responsibility. Although we may estimate what your insurance company may pay, it is the insurance company that makes the final determination of your eligibility and benefits. If your insurance company is not contracted with us, you agree to pay any portion of the charges not covered by insurance, including but not limited to, those charges above the usual and customary allowance. **NOTE:** Each visit is documented in your medical record and a diagnosis is made by the provider. Diagnoses are made based on medical information, not based on coverage by insurance companies. Therefore, a diagnosis change will not be made for the sole purpose of insurance reimbursement.

Medicaid

Patients are required to provide a copy of their current Medicaid card and must pay a copay in the amount of \$3.00 at each visit. As a courtesy, we will submit claims to Medicaid on your behalf. Therefore, you are responsible for supplying us with information regarding your current Primary Care Physician (PCP). Failure to provide your current PCP's information may result in rejection of your claim. Rejection of your claim does not relieve you of your financial responsibility.

Self-Pay Accounts

Self-pay accounts are patients who are having procedures that have been deemed "cosmetic" (considered "not medically necessary"), patients without insurance coverage, patients covered by insurance plans in which the office does not participate, patients who present without a current insurance card in which to process claims, Liability cases or auto accidents. Self-pay patients are required to pay \$50.00 at their initial visit or consultation. Self-pay patients being treated for hand injuries are required to pay \$50.00 at each visit.

Worker's Compensation

Prior to their appointment, patients are required to provide our office with the claim number, date of injury, employer's information (name, address, phone number and Human Resource's name) and if available, the Insurance carrier's information (Claims adjuster's name, name of insurance company, address, phone number and fax number). If this information is not provided, we will not be able to process your claim. You may be asked to either reschedule your appointment or pay for your visit at the time of service.

Copays, Fees, Outstanding Balances and Payments

Copays are requirements placed on you by your insurance company. All copays are due at the time of service and cannot be waived. If you are unable to pay your copayment, your appointment may need to be rescheduled. Any past due balances are also due at the time of service, unless previous arrangements have been made with our Office Manager.

Fees (testing, radiology, pathology, supplies and other services provided or recommended by Dr. Coley) are standard and based on the complexity of your visit. Payment in full is required at the time of your visit. It is never our intention to cause hardship to our patients, only to provide them with the best care possible and the least amount of stress. Extended payment arrangements are available if needed. We accept cash, certified or cashier's checks, Visa, MasterCard, American Express or Discover. Financing is also available through Care Credit. For more information regarding this program, please speak to a member of our staff. Personal checks may be accepted for those services deemed "medically necessary". Checks returned for insufficient funds will be charged a service fee of \$35.00, in addition to the original amount of the check and will be placed on a "cash only" basis.

Disability Forms, FMLA and Other Forms

These forms take a considerable amount of time for our staff to complete. We ask that you allow 7-10 business days for completion of these forms. There will be a charge of \$25.00 due at the time the forms are received. There will be an additional fee for requests to expedite completion of these forms. Under no circumstances, can forms be completed in less than five (5) business days.

Medical Records

Patients are required to complete and sign a written consent prior to release of their medical records. According to North Carolina's Statute 90-411, patients will be charged a handling fee of \$10.00 and copying charges of 75 cents/page for pages 1-25, 50 cents/page for pages 26-100 and 25 cents/page for pages in excess of 100. Payment is due in advance and we ask that you allow 7-10 business days for processing. Collaborating physicians and specialists assisting in the care of a patient will not be charged for copies of medical records.

Refunds

Refunds are not permitted on purchases made toward skincare products. If you are not completely satisfied, you may return your skincare with 7 days of the original purchase date. Our aesthetician will be happy to discuss replacement products OR issue you a credit on your account that may be used on future purchases.
